NEW COMMITTEE MEMBERS NEEDED!

As you may or may not know, The Wacky Club is unable to run without the leadership of the Wacky Committee. This is a group of parents who use Wacky. We are looking for some more parents to join the committee. No special skills are needed – just some enthusiasm. Remember: we are all busy, working parents who give up our time to help run the club, so we can do with as much help as possible. Please contact info@wackyclub.co.uk or speak to Jo or a current committee member if you're interested in helping out, or find out more at the general meeting on 27th June.
